Mendocino Youth Is Taken for Burglary

Paul Fratus of Mendocino City, Held for Superior Court Under $1,500 Bond

Diligent efforts on the part of Earl Bishop, deputy sheriff, resulted in the arrest of Paul Fratus, aged 19, of Mendocino city Tuesday, and his confinement in the county jail awaiting his arraignment in the superior court today or Saturday.

Notice was received by the sheriff's office on the 19th of last January, of the burglarizing of the home of Mr. and Mrs. Henry Ferrill, at Mendocino city, while they were on a vacation in the bay region. The thieves robbed the home of many pieces of valuable jewelry, including keepsakes of untold value to the owners. No clues were left by the intruders and Bishop was assigned to the case.

During the first part of this week, word was again received at the sheriff's office of another robbery committed in the home of Henry Swanson, while he and his wife were working in their chicken yard. The thieves were frightened away when Mrs. Swanson returned to the house for something, according to signs left in the home.

Bishop was sent Monday to the scene of the latest robbery to make an investigation. Suspicion centered on Fratus and he was arrested by the deputy and taken to Fort Bragg and placed in jail. He was questioned on his arrival and after a grilling cross examination, admitted the robbery of the two homes, of stealing garments from the clothes line belonging to J. A. Barton and a rifle from an automobile at the Big river bridge.

At one time Fratus was arrested in Stockton for stealing an automobile and was sent to the Ione school of industry to serve time.

On his arrival in Ukiah he was asked by Lilburn Gibson, district attorney, why he so readily admitted the crimes. He stated in reply that Earl Bishop "outsmarted him."

Fratus is held on two counts of burglary. He was brought up for his preliminary Wednesday afternoon. Judge Hoffman bound him over to the superior court. Bail was set by the judge at $1,500 cash.

Fratus' mother lives in Oakland. He has no other relatives.

LOSES AUNT IN DEATH

County Clerk Harry Burke was called to Alameda Wednesday to attend the funeral of his aunt, Mrs. Adeline Turner, the last member of her family of that generation. She was 82 years of age.

Maple to Install Ornate New Front

Immediately following Easter The Maple Confectionery will close for five days to permit alterations in the front of the building and to allow redecoration of the interior. The entrance of the store will be made over in a most artistic way and three entrances will be provided where there is now one. A large amount of cathedral glass will be used in the work and when completed the store will be a replica of the high-class confectioneries of the larger cities.

New candy counters and cases will be provided, mirrors set at convenient places and a lovely artistic atmosphere created.

One of the finest and most ornate fountains possible to buy has been purchased and will be installed during the time the alterations are taking place. It will be about twice the size of the present fountain and will be faced by 12 seats for patrons. The contemplated outlay will run to about $9,000. Much of the furnishings of the Ukiah store, including the soda fountain will be sent to the Hopland store and installed, Poulos Brothers owning the Hopland business house as well as the Ukiah store.

Norgard, Jr., Held On Liquor Charges

Chris Norgard, junior, was lodged in the county jail Saturday and is held in default of $750 cash bail. The arrest followed a raid on his living quarters on a ranch south of town, where the officers found a quantity of fermenting mash, two gallons of jackass brandy, 25 gallons of wine and a five-gallon still. The most of the mash was dumped by the officers after samples of the intoxicating liquor and mash had been taken as evidence.

Deputies Wayne Crawford, L. H. Morgan and Sheriff Dick Williams conducted the raid. Preliminary trial will be held today or Saturday, according to the district attorney's office.

HELD AS WIFE BEATER

Lorenzo Albonico, of Point Arena, is confined in the county jail awaiting trial on a charge of assault. He is accused of beating his wife sometime ago.

Auxiliary Entertained By American Legion

The regular meeting of Lewis White Post, No. 76, American Legion, was held at the Veterans' memorial hall, Wednesday evening, with Commander W. H. Salls presiding.

After the regular business was transacted, the meeting was converted into a party at which members of the auxiliary were guests of honor.

Arrangements for the delightful affair were made by William Chessall, chairman of the evening.

A delicious supper consisting of meat pie, cake, coffee, and other appetizing edibles, was served at tables laid in the form of a four-leaf clover and decorated with green crepe paper and ferns, in commemoration of St. Patrick's Day.

A beautiful bouquet of snow white bridal wreath was placed in the center of the table as a special honor to Mrs. Ardis Conoly, a leader in auxiliary work, and a recent bride.

After supper, a social dance was enjoyed in the auditorium.

Vacation Trip to Pacific Northwest

Loren F. Thompson, former advertising manager of the Dispatch-Democrat, returned to Ukiah Friday evening, after spending several months in a vacation trip through the Pacific Northwest during which he drove 5,000 miles through Oregon, Washington, Oregon and British Columbia.

On leaving Ukiah, he drove directly to Seattle in his Oldsmobile coupe, accompanied by Kim Albertson, the well known boxer.

Here, three days after his arrival, Mr. Thompson had the misfortune to break his left arm just below the elbow. He spent a month in Seattle, during which time the fractured arm healed completely.

He made a trip into Idaho and toured British Columbia, where he visited relatives.

On Mr. Thompson's return south, Kim Albertson took his departure for Chicago. His total driving time between Seattle and Eureka was 16 hours. He was accompanied by Clayton Goldbourn, a former Eureka boy now residing in Seattle.

He spent one night in his home town of Eureka, where he visited with his father, George H. Thompson, and his aunt, Mrs. May Thomas.

He plans to relocate in Ukiah and reenter business in this field, where he has a large acquaintance in professional and financial circles.

The former Miss Myrle Elizabeth Harvey was married to Eugenio Perez Deseoane in Madrid, Spain, this week, according to dispatches received here on March 14.

The bride is the daughter of Mrs. W. H. Weldon and niece of Mrs. J. J. Dashiell of Potter valley and a sister of Earl Harvey of Ukiah. She was born and raised in Potter valley and received her early education there.

In this cosmopolitan center she made the acquaintance of Lord Hendricks Stampe, world traveller from Denmark, to whom she was married in San Francisco in 1919.

The couple proceeded leisurely through the Orient and Europe to Copenhagen, where they made their home in the nobleman's ancestral castle some 30 kilometers outside of the city.

The club now has about 20 members. The freshmen admitted to membership last Friday evening include Caroline Anderson, Helen Holton, Marhea Dahlberg, Lucille Thomas, Elaine James, Doris Moulton and Clifta Lang.

The next monthly meeting will be held at the home of Frances McCowen, daughter of Attorney and Mrs. Hale McCowen, Jr.

A Message to Mothers

On Children's Eyes by Dr. Roberts

PART 5

"Guard Well Your Sight"

The amount of present day reading matter is appalling. Newspapers, magazines and periodicals by the millions, together with countless books of every description, swell the ever increasing volume demanding our attention. Nearly everyone admits being behind with their reading. Some kind of reading is crowded into every spare moment, so that more and more of this delightful and instructive pastime plays an important part in over-working our eyes and diminishing our hours of sleep.

A trip to the eyesight specialist costs you nothing but your time. Is it not worth the time to know the facts? Guard well your eyesight, it changes with the years. Attention when needed will mean all the difference in the world to you and your eyes.

Sunday Wedding at Baptist Church

Immediately following the regular morning sermon, Miss Hazel Alma Denham and Marvin Brown were united in marriage at the Ukiah Baptist church by the pastor, Rev. Claude Mosher, on Sunday, March 13.

The edifice was artistically decorated for the auspicious occasion in a lovely color scheme of rose and white, developed in a profuse use of radiant fruit blossoms and snowy bridal wreath.

As the bridal party approached the altar the sweet strains of the wedding march was played by Mrs. Burton Brown, after which Hugh T. Harvey accompanied by Mrs. Harvey on the piano, rendered the marriage melody, "O, Promise Me," as a beautiful baritone solo.

The bride was becomingly gowned in a rich white satin wedding dress with white shoes and other accessories to match.

She carried a beautiful bouquet of deep pink rosebuds and maidenhair ferns.

Miss Ruth Mosher, the maid of honor, wore a costume of printed silk chiffon in shades of silver, green and orchid.

The groom was attended by Carl Mosher.

Following the ceremony, a wedding breakfast was served.

After a short honeymoon in the bay district, the young couple will return to Ukiah, where they will make their home for the present with Mrs. Brown's parents, Mr. and Mrs. H. C. Denham.

The bride is a very attractive young woman and has won many friends during her residence here. She is very active in the work of the Baptist church, where she sings in the choir.

The groom is a talented musician and serves as superintendent of the Baptist Sunday school.

In addition to Mr. and Mrs. Stuart Grant, a few close friends were included in the dinner party.

April Wedding and European Tour

The wedding of Miss Lillian Annette Hengeveld of Ukiah and Fernand Eugene Domergue of San Francisco, will be solemnized at the church of the Notre Dame Des Victoires on Bush street, San Francisco, at 7:00 o'clock p. m. Saturday, April 9.

This old French church was selected as the scene of the wedding because the Domergue family have worshipped here for many years. In this edifice have been held all their solemn ceremonies and celebrations including the exchange of marriage vows of other members of the family and the christening of the groom-to-be.

The beautiful bride will be attractively attired in a lovely wedding gown of heavy white satin with which she will wear a long veil of white tulle held in place by orange blossoms.

The bridal attendants have not been selected yet. The bride-elect will go to San Francisco on the Saturday preceding Easter, when the details of the wedding will be arranged.

The bridal couple plan to leave San Francisco about the first of May en route to Europe where they will enjoy a wedding tour, including in their itinerary most of the western continental countries.

They will be accompanied by Mrs. Eugenie Domergue, mother of the groom, and Mrs. Marie Rouquette and daughter, Yvonne, aunt and cousin, respectively of the groom, and Mrs. K. N. Hengeveld, mother of the bride.

The party will motor across the continent to New York, where they will embark on one of the great Atlantic lines for Havre, France, taking their car with them.

They will tour many scenic rural and urban sections of the French republic.

An interesting visit will be paid to Mrs. Hengeveld's aunt in Orleans in central France, the famous and historical home of Joan of Arc, known as the Maid of Orleans.

Some weeks will be spent in exploring and enjoying the beauties and wonders of the Riviera.

The party plan to visit Mrs. Hengeveld's aunts and cousins and relatives of other members of the party in Paris.

They will also spend some time with Mr. Hengeveld's step-father, brother and sister in Rotterdam, Holland.

The famous Alpine resorts of Switzerland will be an important objective of the tour.

The motor trip through northern Italy will include stops at many famous mediaeval cities, from whence they will proceed to Naples and Rome. In the Eternal City thye will visit the great cathedrals including St. Peter's, and many other points of interest. They will make a pilgrimage to the Vatican, where they will obtain an audience with the Pope.

Returning north, they will cross the channel and tour the British Isles before crossing to this country. They expect to be away three or four months.

On their return, the young couple will make their home in San Francisco, where the groom has important business interests.

Musical Program at Saturday Club

The music classic of the season was presented at the Saturday Afternoon clubhouse on March 12 by Hugh T. Harvey's music class under the auspices of the choral section of the Saturday Afternoon Club, of which Mrs. J. H. Hansen is chairman.

Mrs. Hansen stated that the club women of the country through their national federation are seeking to cultivate an intelligent appreciation of the best in music.

Through the initiative of C. M. Fulkerson, principal of the Ukiah union high school, a course of study in music for adults has been provided and Hugh T. Harvey selected as its instructor. The Saturday Afternoon Club under the leadership of Mrs. A. P. Tracy, desires to recognize and encourage this forward educational movement.

Music which has come down to us from the dim dawn of civilization is inherent in the human family. Whittier says:

"And every childhood hid its litanies
In every age and clime.
The earliest cradles of the race
Were rocked to poets rhyme."

Music lends a peculiar beauty to the character of its devotee. The singers of the race from the ancient minsreis down to the highly trained artists of modern times have been greatly loved and revered.

When Mr. Harvey was introduced, the applause amounted to a veritable ovation and was a real personal triumph and tribute to his talent and efforts in behalf of the community.

In presenting his class on the occasion of its second appearance in public this semester Mr. Harvey said in part, "Through this organization we hope to encourage the love of good music in Ukiah by providing an opportunity to study this language of the emotions as well as to cultivate its appreciation. Music is an avenue for the expression of kindness, love, joy and exaltation. While distinctly a cultural study, music is none the less utilitarian in as much as it trains the eye and ear, modulates the voice, develops the lungs, demands correct use of the organs of speech and furnishes a definite training of the mind. Music promotes concentration and discrimination while it also contributes to mental poise, muscular control, grace and dignity.

Musical taste and judgment is the outgrowth of familarity with music that has won recognition by its enduring worth and by the study of classical and semi-classical compositions.

Popular music, jazz whether 4-4 double tempo or the crooning, moaning variety expresses nothing . It starts from nowhere and reaches no objective in musical development. Its popularity grew out of an era of speed and abandon.

The aim of our class is to develop pleasure in song as a means of expression, to study the technical matter of music such as voice placement, breathing, sight reading, etc., and to secure free and correct use of the voice in singing.

In the program which is to follow we shall endeavor to demonstrate to the extent of our ability the solo, duet, trio and ensemble."

The first number which illustrated the solo or beginning point in sequence was two beautiful baritone-base solos from the song cycle, "The Morning of the Year" by Charles Wakefield Cadman, sung by Hugh T. Harvey.

As a further illustration, Dr. J. R. Thomas, a regular attendant of the class, sang two tenor solos, as follows: "Youth and Spring" by Irving Steinel and "Will-'o-the-Whisp" by Charles Spross.

The execution of the duet, which is more difficult than the solo, as two voices must blend in harmony and cadence, was illustrated by Mrs. J. H. Hansen and Mrs. W. E. Williams, who sang "The Bells of St. Mary's" by A. Emett Adams.

Miss Helen Thomas, daughter of Mayor J. R. Thomas, was presented as a guest artist in the two perfect piano numbers, "Grand Marche De Concert" and "Valse Caprice."

Dr. J. R. Thomas and Will Van Dyke gave a second demonstration of the duet when they sang the single selection, "When Night Has Gone."

The trio or three-part singing was exemplified by Mrs. Mary Luce, Mrs. Ida Hughes and Mrs. Yamond York in the singing of the following numbers, "In Blossom Time" by Frederick Jerome and "The Nightingale" by J. S. Fearis.

The group known as the Masonic male quartette consisting of Dr. J. R. Thomas, George P. Anderson, Hugh T. Harvey and Will Van Dyke demonstrated four-part singing in their rendition of the following numbers, "Pilgrim's Chorus" from Tannhauser by Richard Wagner, "The Night Has a Thousand Eyes" by Ethelbert Nevin, "Sylvia" by Oley Speaks and "Send Out Thy Light" by Gounod.

The accompanists, Mrs. Rob Thomas and Mrs. Hugh T. Harvey, played two piano duets, "The Mazurka" and "The Country Dance," both by Ethelbert Nevin.

Group singing or the ensemble were illustrated by the class in four numbers, "I Love a Little Cottage" by Geoffrey O'Hara, "Watch the Corners" by J. S. Fearis, "On the Road to Mandalay" by Oley Speaks and "Mammy's Lil' Pigeon" by J. S. Fearis. The last mentioned musical author is a cousin of Mrs. Harvey and has his studio in Chicago.

The men who participated in the program wore dress suits while many of the women were beautifully attired in lovely evening costumes.

At the conclusion of the program, the committee of Saturday Afternoon Club members in charge of the affair, served refreshments.

A large and representative crowd was in attendance to enjoy the feast of harmony.

Mr. Harvey was showered with hearty congratulations upon the successful performance of his students and all present felt a thrill of exaltation over the achievements of the class.

Many forsee great advancement for the Ukiah vocal ensemble under the able leadership of Hugh T. Harvey of the golden voice.

State Theater News and Tabloid Reviews

Lovely Lil Dagover, one of Europe's most beautiful women, and the continent's foremost star of stage and screen in "The Woman from Monte Carlo" is playing at the State theater last times today.

In this First National production, a thrilling drama of love, intrigue, and naval affairs, she makes her initial bow to the American public.

She enacts the title role of the wife of the captain of a battleship who longs for the gaiety of her past life at the world famous resort.

She has exceptional support in Walter Huston and Warren William who play, respectively, the parts of her husband and lover.

Many other famous featured players are included in the cast.

In addition to the regular picture, the most elaborate and alluring fashion revue ever staged in this city will be presented between the shows for the last time tonight.

Bautiful and graceful living models will display the latest and lovliest in spring wearing apparel in time for the direction of Easter buying.

The attraction for the Saturday matinee and evening performances will be "Neck and Neck," which combines in its story a fine blend of humor and thrills.

Glenn Tryon, the hero, aspires to be something more than a mere salesman, particularly after he meets the girl of his dreams.

To create a good impression he boasts wildly of his performances and possessions. Come and see him wade through a sea of difficulties, live up to the mark he has set for himself and win Vera Reynolds, who decides that whether he is a millionaire or an inventive liar, he is still the answer to her heart's desire.

The big screen event of the coming week is the presentation of "Lady With a Past," in which Constance Bennett looks her lovliest and gives the most nearly perfect performance of her spectacular stellar career.

Seventeen dazzling gowns direct from Paris are worn in the picture by the screen's best dressed star, a brilliant fashion show in itself.

This is an ultra modern sophisticated comedy with just sufficient real romance to add dash and flavor.

The characters are human and speak witty lines which ring true for all their spontaneous cleverness. The situations are unique and amusing and the theme of fundamental appeal.

The story describes a society girl's adventurous evolution from a neglected wall flower to an admired favorite in international settings.

The action includes exclusive affairs in the homes of American millionaires, gay gatherings in the famous Parisian cafes, and a brilliant party in a nobleman's chateau on the Riviera.

David Manners and Ben Lyon play the masculine leads and woo the charming Constance in English while Albert Conti provides the French version and Don Alvarado makes ardent love in Spanish.

"Consolation Marriage," an RKO-Radio Pictures production, coming to the State next Tuesday and Wednesday, is a highly dramatic and realistic story of the lives of the folks who make second choice marriages.

The picture keeps the patrons enthralled from the first flicker to the fadeout.

Beautiful and talented Irene Dunn, star of "Cimmaron," is the feminine lead while Pat O'Brien of "Front Page" fame plays opposite her in the role of a newspaper reporter. John Halliday does fine acting as the managing editor and Matt Moore represents another reporter.

The picture is a real representation of newspaper life, based on a story by William Cunningham, Boston sports writer.

It is hardly likely that any of the local newspaper fraternity will want to miss it.

See lovely Lil, exotic star,
Whose light flames from the east afar
Also the style that's all the rage
Tonight upon the local stage.

In "Neck and Neck" the racers prance,
A boy flirts with the gods of chance.
At last enacts the hero's role
And wins the long desired goal.

The picture "Lady With a Past"
Shows scenes unique and action fast,
As Constance Bennett, social queen,
Illuminates the silver screen.

The "Consolation Marriage" play
With famous stars in great array,
Like Pat O'Brien and Irene Dunn
Already has your favor won.

John L. McNab Speaks at United States Society

The eminent and eloquent attorney, John L. McNab, a former resident of Ukiah, was one of the speakers at the initial luncheon meeting of the United States Society, held at the Clift Hotel Tuesday noon with Almon E. Roth, comptroller of Stanford university and a former Mendocino man, acting as chairman.

The luncheon, marking an effort to organize a 1,000 citizens of San Francisco as the United States Society, was attended by representatives of various educational, fraternal, civic and financial organizations.

Chairman Roth described the proposed society as an organization of public spirited citizens in every community who have banded together to develop from the American youth leaders for the nation.

McNab characterized gangster rule in America as a melancholy travesty of government, marking a breakdown of the constitution.

He asserted that the remedy lies in the plan of the United States Society, now in process of organization on a nation-wide scale, in preparing the youth of the land for leadership in the trying days to come.

His speech was broadcast over radio station KPO and many of his Ukiah friends were interested listeners.

A Bridge Dinner Birthday Compliment

Mrs. Leonard Michelson presided at a perfectly appointed dinner party at her home in north School street, last Saturday evening, to celebrate her husband's birthday.

Every feature of the attractive affair displayed the magic touch of the artist.

The decorations in honor of Erin's patron saint were unique and alluring.

The charming centerpiece consisted of a large shallow tray filled with shamrock, a realistic representation of the sod of old Ireland, standing amidst which were the miniature figures of a cunning Celtic couple. This gay colleen and gallant lad in characteristic costumes of green and gold wielded a hoe and rake with which they were prepared to stir the moist fertile soil of the Emerald Isle. The landscape was also adorned by the sculptured form of an Irish pig, "the little fellow that pays the rent."

The nut cups were small green wheelbarrows such as are used to move the crop of Irish potatoes. The place cards were also handpainted representations of this handy vehicle.

The dinner table was softly illuminated by tall green candles in green hand made holders in the form of the national emblem, the shamrock. An interesting feature of the dinner was a beautifully decorated and lighted birthday cake.

After dinner, two tables of bridge were enjoyed. The tally cards and score pads were four-leaf clovers, symbols of good luck. The high score prizes were awarded to W. A. Thornton and Mrs. Leonard Lawson.

Those present were Mr. and Mrs. Leonard Lawson, Mr. and Mrs. A. G. Ring, Mr. and Mrs. W. A. Thornton, Mrs. F. L. White, Mrs. Ardis Roberts, Mr. and Mrs. Michelson.

Alleges Gas Truck Forced Him off Road

A truck loaded with fish belonging to the Standard Fisheries Co., destined for San Francisco markets and enroute there from Eureka early Monday morning, was ditched four miles south of Willits, when the driver, Sylvio Demaertri, of San Anselmo, was forced off the highway, according to his story, by one of the large gasoline trucks operating between Napa and northern Mendocino county.

The gasoline truck driven by C. W. Bates, employee of the Kuppinger line in Lakeport, who have the contract to haul the fuel for some oil companies, was later apprehended by officers of the traffic department in Willits. Bates denied the charge.

The fish truck struck a soft shoulder at the edge of the highway and tipped over on its side, spilling the contents into the ditch.

Whether there will be any charge placed against the driver of the gasoline truck by Demaertri is not known. Dick White, of the local traffic office, made the investigation.

Million-Dollar Rain At 2-Bits on Dollar

Ranch and Business Property at Willits Sold. News Notes and Personal Items

WILLITS, March 5.—We have just had what they used to call a "Million Dollar Rain," which at the prevailing low prices paid for all kinds of ranch products amounts to about two bits on the dollar—even this is not so bad provided the above mentioned products have any value later on. We had threatening skies and cloudy weather for about a week but the precipitation only amounted to 1.59 inches for the entire storm, which brings our total up to 40.11 inches for the season. Last year at this date our total was only 29.08 inches.

Personal Items

Mr. and Mrs. L. P. Anker, accompanied by Mrs. A. Cranz, spent several days last week visiting their son, Joe Anker and family, at Grass Valley. They returned home Sunday and got caught in the thunder storm in Lake county.

Mrs. Margaret Endicott has returned from Redwood valley, where she has been living for the past two months with her daughter, Mrs. V. E. Frost.

Mr. and Mrs. August Linser came down from Bell Springs today. They report the last storm as having started the feed in good shape.

Mr. and Mrs. V. E. Frost motored over from Redwood valley this morning for a short visit with relatives and friends.

Chas. Talkington, manager of the Harrison ranch in Long valley, was here yesterday buying supplies.

Roy Good, superintendent of the Fort Bragg schools, was here today.

Mr. and Mrs. John Bondeson are spending the week in San Francisco.

Mr. and Mrs. J. H. Rathbone are leaving today for their old home in Rowan, Montana.

Sells Business Property

Tom McWaters has sold the store premises now occupied by James Dewar to the Irvine & Muir Co. McWaters still retains the property occupied by Corbett's pool room.

Clark Ranch Sold

This week I. M. Von Schriltz, of Santa Ana, purchased the A. C. Clark ranch for one of his sons who will locate here with his family. This ranch contains 215 acres and is considered one of the best ranches in the valley. This ranch is east of town and should not be confused with the Clark ranch just south of this valley, which belongs to another family.

Studying Bugs

Jim Walker came up from the Davis agricultural farm the first of the week for a short visit with his grandmother. Walker is taking a special course in entomology—the science of bugs—and even now can discuss learnedly all about scale, lady bugs, and most of our good and bad bugs. After he finishes this course Jim expects to make this branch his life work.

Free Fish

About 3:00 a. m. Monday morning a southbound fish truck upset about three miles south of town on a level stretch of road. The driver had left Eureka about dusk the night before and is presumed to have fallen asleep. The truck turned over in the ditch and a large and varied assortment of all kinds of sea fish were scattered around promisciously. C. A. Steele was summoned and went out and pulled the truck back onto the highway but a lot of the loose fish were left behind. These leftovers were brought to town and numerous families feasted on fresh fish that day.

Wedding Bells

Mr. and Mrs. Homer Bray returned from a short wedding trip last week and have started housekeeping on the ranch Homer conducts with his father. They were married at St. Helena, February 25.

Will Visit Grandson

Mr. and Mrs. Harvey Sawyers will leave this week for Portland, Oregon, where they will visit their new grandson who put in an appearance recently. They will make the trip by auto and expect to be away about a month.

Couple Elope

Chas. Sapp and Dollie Fales-Lane left for an unknown destination last Saturday night and the supposition is that they were headed for Reno in order to get around the foolish three-day marriage law we have in this state.

Sapp is the manager of a local store and has made a wide circle of friends during his residence in Willits. He made arrangements to take a month's vacation but he did not tell his associates of his intentions.

The presumed bride is a daughter of Mrs. John Harpe and has lived in this county all of her life. She also departed without leaving any word of her intentions.

(Editor's Note—The couple were issued a marriage license in San Francisco Monday.)

Personals

Attorney Frank W. Taft spent several days the first of the week in San Jose and Oakland attending to legal business.

Mr. and Mrs. Clarence Prothero came down from Laytonville to spend Sunday with her sister, Mrs. C. A. Steele.

Mr. and Mrs. John Houx returned from an extended visit in Bakersfield a few days ago.

Ray Harpe and family moved down from Covelo last week.

George and Grant Vassar were down from their Long valley home the first of the week attending to business matters.

Mr. and Mrs. Walter Lauschstead came up from their home near Woodland last week for a short visit with friends.

Sam Pinches, the Laytonville patriarch, was here last week visiting friends.

Miss Edith Recagno returned last week from a two weeks' visit in San Francisco.

James Dewar spent most of last week in San Francisco and Santa Rosa attending to business matters.

Mrs. Marie Greenberg, who has been visiting Mrs. Mary Vancleemput for several weeks, has returned to her home in San Francisco.

Vernon Hinton returned last week to the Yosemite valley where he expects to remain until next fall. Hinton works in the government machine shop in that valley and this outfit repairs the road making machinery that is engaged in highway work. Few of our people are so highly favored as to be able to live in such an ideal spot and earn their living.

Mrs. Mary Cunningham and twin daughters, accompanied by her parents, Mr. and Mrs. Hale McCowen, Sr., were here Saturday afternoon visiting friends. This is the first time McCowen has made the rounds of town since he last ran for office. He met most of his old friends.

Initiative Petitions

Initiative petitions are now being circulated in Mendocino county for the repeal of the Wright act and another for the adoption of the Canadian plan of liquor control. Hite Grove circulated the petitions in Willits and obtained 400 signatures without any trouble. Similar petitions are now being circulated in Ukiah and Fort Bragg and the prospects are excellent for more than a thousand signatures. Mendocino county was only asked to obtain 150 signatures for the large centers of population have already furnished several times over the required number of names.

Farewell Party

Judge and Mrs. W. F. Whitney gave a farewell party at the Quadrio park last Sunday afternoon in honor of Mr. and Mrs. J. H. Rathbone who are leaving this week for their old home in Montana. An elaborate Italian dinner was the first thing on the program after which dancing and sports occupied most of the balance of the afternoon and evening. The following friends joined in wishing their departing friends good luck: Judge and Mrs. W. F. Whitney, Phillip Quadrio, Supervisor J. M. Rupe, Mr. and Mrs. A. Bon, Mr. and Mrs. C. A. Larson, Mr. and Mrs. Jesse Cleary, Mr. and Mrs. C. O. Anderson, Mr. and Mrs. Tony Quadrio, Miss Lena Delgrosso, Victor Anderson, Marie Clemens and R. C. Kennedy.

Hospital Notes

Four more babies made their appearance here last week. A son was born to Mr. and Mrs. Amos Branscomb on the 7th. A caesarian operation had to be performed on Mrs. A. Sirrizzatti on the 9th and a daughter was born. Mother and babe are doing nicely. Another daughter was born to Mr. and Mrs. N. C. Jensen on the 9th. A daughter was born to Mrs. Ben Poe, of Laytonville, on the 11th.

Mr. G. E. Purcell came down from Covelo last week for medical care.

Mrs. Abe Requa, who had her leg amputated a few weeks ago, was released from the hospital yesterday and returned to her home in Long valley.

Mrs. Will Rathjens, of Laytonville, is receiving medical attention and is reported as responding in a satisfactory manner.

Attorney Frank H. Taft returned Sunday from San Jose, where he spent two days on a business trip.

ANDERSON VALLEY

BOONVILLE, March 15.—Miss Allo Willis, accompanied by her mother, Mrs. A. B. Willis, and Donald Hulbert motored to San Francisco Tuesday, where Allo will enter the Shriners' hospital for examination in the hopes that something can be done to improve the condition of her ankle, which was badly injured in an automobile accident about two years ago. A group of her fellow league members gathered at her home Monday to wish her bon voyage.

H. V. Nichols went to San Francisco Saturday to take the civil service examination for senior foreman for state highway work.

Mrs. H. E. Tarwater is reported on the sick list this week.

Mrs. W. J. Fowler accompanied her uncle, W. T. Bill, to Hollywood. They left here Saturday.

The high school dance Saturday evening did not receive the patronage they expected. Considering that it was the first dance they have given this year they should have received better support. It is understood that they cleared a small sum, however.

Mrs. J. F. Hedgpeth has been confined to her home the past few days on account of illness.

G. W. Henderkin, of San Rafael, was a recent visitor here. His wife is staying with the Presley family during the absence of her sister, Mrs. Presley. The new daughter in the Presley home has been christened Maxine.

Alden Reilly, business manager of the school annual, made a business trip to Fort Bragg Saturday.

The social committee of the farm center is completing final plans for the dance to be given by that organization on April 2 at Boonville.

Just what the attraction here was that caused a matrimonially inclined couple from Forestville to make two trips in here before they were able to catch Judge June and have the knot tied, has not been determined. The contracting parties were Mr. Day, a prominent business man of Forestville, and Mrs. Vestal. They obtained their license in Ukiah and motored here Thursday of last week but failed to find Judge June at home so they returned here the following Sunday when they were more fortunate, as they found him home and he proceeded to make them legally one. (Editor's note—Possibly she desired the distinction of becoming a "June" bride in March).

Mr. and Mrs. G. E. McAbee motored to Ukiah Wednesday afternoon.

Mrs. H. T. Ornbaun, Mrs. W. L. Witherell, Miss Josie Estes and Miss Evelyn June were Santa Rosa visitors during the past week.

The Epworth League was represented at the Cloverdale rally March 5 and 6 by 22 members. They lost the banner to Upper Lake but are making plans to recapture it at the next rally to be held in May at Healdsburg.

Philo ladies' aid met Thursday at the home of Mrs. M. C. Gowan, with 14 members present. A busy hour was passed, after which delicious cake and coffee were served by the hostess. The next meeting will be at Mrs. George Clow's.

Members of the Ladies' Eight club met this week at the home of Mrs. Sid Dennison. Two guests, Mrs. Pierce and Mrs. J. E. Sweet, were present. Table decorations, place cards and favors were in keeping with bi-centennial year. Mrs. Ferrell will be hostess next week to the club.

Mrs. M. C. Gowan took a group of girls to Cloverdale Saturday to the Epworth League rally. Her party included Misses Dorothy Fowler, Beth and Allo Willis, Clora Cook and Mary and Bernice Gowan. They report a wonderful time and are very grateful to Mrs. Gowan for making it possible for them to attend.

Mathew Reilly, of Eureka, was a week end visitor at the home of Mrs. Gertrude Reilly.

Mr. and Mrs. George Studebaker have as their guests this week Mr. and Mrs. Jack Reisner and two children, of Stockton. Mrs. Reisner is a niece of Mrs. Studebaker. Mr. and Mrs. M. C. Gowan entertained at dinner in their honor Wednesday.

Proceeds from the farm center dance, to be given April 2, will be used by the social committee to provide refreshments at the regular monthly meetings this coming year.

Dee Woodward, of Salt Lake City, and Clair Johnson, of Los Angeles, are guests at the J. T. Farrer home.

NEWS NOTES FROM ROUND VALLEY

COVELO, March 13.—An interesting bit of publicity for Round valley from far-away New York has just come under our notice. In the current issue of Better Crops with Plant Food, a high-grade trade journal published at 19 West 44th street, in that city, appears an excellent picture from the camera work of Mark Havenhill, shop instructor in the Round valley high school. The subject is the Henley oak. The adornment is furnished by the smiling countenance of E. A. Gravier posed in the foreground. The caption reads: "This big oak is 165 feet high and 14 feet in diameter. It is the largest oak in Round valley, Mendocino county, California, and is estimated to be 1,450 years old. The man shown is the largest man in Round valley."

Round valley turned out en masse on Friday evening to witness the production of the high school operetta "Oh, Doctor." The auditorium was filled to overflowing. And the audience was in no way disappointed. Unstinted praise from every source was bestowed upon the youthful performers and upon Principal Skelley and members of the faculty who have labored so earnestly for weeks to bring the opera to perfection.

Special thanks of the community are due to Scoutmaster Leo L. Sanders, grammar school principal, and Troop 23 for the efficient service they rendered in parking the unusually large number of cars. Skilled traffic police could not have handled the crowd better. Without their service much confusion would have resulted.

Assessor Reynolds came up last week to meet taxpayers of this section and discuss the situation as viewed from the standpoint of one who has constantly before him facts and figures pertaining to county financing.

The first of our lovely wild flowers are beginning to make their appearance. Their season is much later than usual this spring. School children are bringing in bunches of Easter lilies—the dog tooth violet of the botanist. Trilium, redbells, rosebud, shooting star, creamcups are timidly putting forth. Recent rains are benefitting grass and flowers. Occasional nights are frostless.

Mrs. J. D. Rohrbough entertained delightfully Thursday afternoon, the guest of honor being Mrs. Helen White Gray. The early part of the entertainment consisted of a treasure hunt, which furnished interest and amusement for all. This was followed by a few hands of Dutch whist. Mrs. Albert Winters won high score and a box of notepaper of modern design; Mrs. Pearl Clark carried away the consolation gift. Those present to enjoy the party were Mesdames J. S. Rohrbough, E. F. Rohrbough, J. D. Rohrbough, Austin Gray, Winters, Biggar, Fitzhugh, Clark, Moore, Lovejoy, Bostic, White, Riffe, C. N. Spurlock, B. L. Hurt, Rolland Hurt, and W. Winters.

Lester Fitzhugh has taken over the agency for Shell oil for Round valley.

Good Friday services at the Presbyterian church will take the place of the regular missionary study of the Dorcas Aid on Friday, March 25. Every one is welcome. Special music will be provided.

On Friday of this week the ladies will take lunch to the church. They will gather about 10:00 o'clock in the morning for quilting, and continue throughout the afternoon. All friends who enjoy a social hour of this sort are invited to join them.

The special feature for the Improvement club March 19 will be the delegates' reports from the county convention. This should prove a most interesting session to all who are interested in local or county wide civic improvement.

The W. C. T. U. institute at the Presbyterian church Saturday, April 2, will furnish interesting outside contacts with county officers.

Both St. Patrick's Day and All Fools' Day will be celebrated in Covelo with dancing. The Boy Scouts will entertain on the 18th, the hotel on the 19th and the cemetery committee of the Improvement club on the first of April.

Friends will be glad to learn that Mother Burnham is rallying from her recent illness.

Mrs. Angela Bullerdieck returned to her home in San Francisco Sunday after a short visit with her father, H. S. Lovell, who has been confined to his home by illness.

Kenneth Gordon and Dr. Tholow Binkley, of Sacramento, spent Sunday on the doctor's mountain range near Round valley.

J. S. Rohrbough is in San Francisco this week.

Mrs. E. A. Gravier and Mrs. Merry O'Ferrall are spending the week in the bay region.

Mrs. Vevoda, deputy grand matron, O. E. S., met the officers of Augusta chapter Saturday evening for special instruction in the work for the current year.

Round valley farmers have taken advantage of the long period of dry weather to get practically all their grain sown. Much ground is already prepared for corn planting.

Mr. and Mrs. Mark Havenhill and Mrs. Alice Bradshaw will leave Friday for a short visit in the bay region.

REDWOOD VALLEY

REDWOOD VALLEY, March 16.—A new charcoal cleaning and filtering plant will soon be added to the local equipment. A San Francisco plant is now being dismantled and the machinery will be shipped and installed here in a few weeks.

Manager C. M. Goudge of the local plant states that with the new plant installed here he anticipates doing perhaps double the present volume of business. This will mean not only more work in the kilns but work for more men cutting and hauling the wood.

Also much of the waste charcoal under the present system will be diverted into a marketable product.

Mr. Goudge has worked earnestly for some time to secure this improvement, and is to be congratulated now that the contract is signed and the project assured.

Harry Winsby has sold his ranch to M. Gerhart, of San Francisco, who will take possession at once. Mr. Winsby is moving into F. A. Howland's ranch house.

F. A. Howland and John Finne, incumbent trustees, have yielded to the solicitations of many friends and filed as candidates for re-election. No other candidates have filed as far as we know.

J. Alden drove up from Petaluma last week in a Dodge sdean he recently purchased and is spending a short time at the Belveal home.

John Scriber is spending a short time on his property here, pruning the orchard, etc. He is advertising the property for sale.

Mrs. Ida Nelson was over from Witter Springs for a few days the first of the week looking after ranch interests here as well as visiting her parents.

R. Oman is planting quite an acreage to grapes.

Gus Tongren is planting an additional acreage to grapes on newly cleared land.

Walter Buchholz has been suffering with water on his knee-cap. He played basketball in the Ukiah-Fort Bragg game Friday night with his knee swathed in tape. Although limping slightly he pluckily played almost the entire game, in his usual clever fashion. Ukiah won this, the deciding game, by a score of 32 to 22. Alovi Soinilla was high point man with 12 points.

Howard Hull is erecting a new chicken house. He is planning to have about 400 birds.

Mr. and Mrs. J. Radhuber are spending several weeks at their home here looking after the spring work.

The P. T. A. meets Friday night. Among the numbers listed on the program are a contribution by the Rev. E. H. Benson of Ukiah; a song of four verses by Miss D. Kirtland with some boys accompanying in pantomine; a solo by Mrs. J. D. Branson; a contribution by Miss F. Ganter's pupils; and a reading by Mrs. Ida Nelson.

The Rev. P. Grinstead, of Santa Rosa, the Presbyterian Sunday school missionary, visited the local Sunday school last Sunday. The Rev. Grinstead will be with us again on Easter Sunday, the Calpella Sunday school holding joint services with us on that date.

Prof. R. Newlon of the poultry division of U. C., will address the poultrymen of this vicinity at the school auditorium Wednesday night, March 23. Prof. Newlon is not only an authority on poultry with a real message but is a fluent and witty speaker. Come and hear him. Poultrymen of Ukiah, Willits, Hopland, Potter valley and all adjacent points are invited to attend the meeting.

Prof. Newlon spoke here some two years ago and made a great hit.

MAY RELOCATE HERE

John King, manager of the Safeway store in Ukiah in 1929, was a visitor here Saturday. King has been in various parts of California in the employ of his company and expects to accept a position here this spring.

Drunk Driving Charge Follows Austo Crash

Traveling east on Henry street Friday afternoon a light coupe equipped with a delivery rack, was badly damaged when it hit a car belonging to M. H. Gilmore, which was parked on the right side of the street near the Eversole mortuary.

The wrecked machine contained two youths whose names are being withheld on account of their age. One of the occupants was arrested by Austin Rawles, of the local traffic department, for driving a machine while drunk.

Bail was set by Judge Hoffman at $750 cash, which was furnished by the young man. His preliminary was held Monday. Judge Hoffman bound him over to the superior court and he will be arraigned today to enter his plea.

RECOVERS FROM ILLNESS

Mrs. Bell Taylor, of Marysville, who has been visiting at the home of Mr. and Mrs. C. R. Olive, returned to her home Wednesday after a two-weeks' stay in Ukiah. Mrs. Taylor is an aunt of Mrs. Olive and was here during the latter's illness. Mrs. Olive, although not entirely strong as yet, is able to resume her duties at her husband's place of business.

MRS. RUNKEL IMPROVING

Reports by letter and telegram have been received the last few days by members of the immediate family of Mrs. Herman Runkel to the effect that she is gradually improving in health since submitting to a critical operation in the University of California hospital two weeks ago.

Her many friends will be glad to learn of her improvement and that she will be able to return to her home in Ukiah in about ten days.

WILL SERVE TIME

Earnest Schumacher, of Piercy, who was sentenced to serve from one to 10 years in San Quentin prison on a charge of grand theft, imposed on him Friday morning in the superior court, was taken to the penal institution Monday morning by Officers Tib Fisk and James Williams.

Schumacher recently plead guilty to the charge of killing a hog belonging to Mr. Thrapp on the latter's ranch at Piercy two months ago and has been confined in the county jail since that time pending the outcome of his case.

Ordered to Support Family

Oscar Alden, of Eureka, who was recently arrested in that city and brought here by Mendocino county officers on a charge of non-support preferred by his wife, who lives in Elk, was dismissed by Judge Iversen in the superior court Monday. He was ordered to pay $20 a month for the support of his minor child.

POINT ARENA

(Continued from page 5)

no doubt for the purpose of syphoning gas out of somebody's tank. John Scaramella, who sleeps next the garage, heard a car stop at the garage and start up shortly after midnight and recognized the car by its purr. In the morning he saw the hose was missing and notified Marshal Ray Woodhead, telling him whose car he had heard stop and start. Mr. Woodhead looked this lad up and when accused of the theft he finally confessed and gave the names of the other two. All of them were taken before Judge M. S. Scott, who "read the riot act" to them and assessed them the price of a new hose, after which they were released.

Mrs. Hugh Nutt was in Ukiah the early part of the week on jury duty.

Mr. and Mrs. Carl Sorensen, of Fresno, are visiting relatives in Point Arena and vicinity.

Frank W. Reynolds and J. C. Johnson, of Ukiah, were in Point Arena Thursday. The political pot is beginning to simmer and politicians and office-seekers are going around with their ears close to the ground. No doubt, in this time of depression and lack of work, a great many would like political sinecures.

A California state highway truck and crew was in Point Arena Thursday erecting road signs where needed.

John Tullener was taken to San Francisco last week. He has not been feeling well for some time and went down for medical advice.

Al Hepworth is putting up a half-mile of new fence along the road fronting his ranch, north of Manchester, and doing a good job of it.

Clarence Schuler and Miss Winifred Hackley were married Wednesday afternoon at the home of the bride's mother on Brush creek, Rev. E. N. Dabitz officiating. After a hearty wedding breakfast the happy young couple left for a honeymoon in San Francisco and points south. When they return they will take up the realities of life on the Hackley ranch, where Clarence just completed and furnished a neat cottage. Here's our hand, Clarence and Winifred; congratulations, and may you always remain as happy as you are at this time.

Empire Committees to Meet Here Today

Discussions to Be Held Concerning Problems in Four Branches of Work

Three important meetings of subsidiaries of the Redwood Empire Association are scheduled to take place here today.

They are the spring meeting of the nine counties highways committee and supervisors unit at 9:30 a. m.; the meeting of the events and celebrations committee at 12, noon, and the meeting of the chambers of commerce unit at 1:30 p. m.

Of first importance is the meeting of the nine counties highways committee and supervisors unit for at that meeting plans for a final official campaign to obtain appropriations in favor of the Redwood Empire highway system from the California Highway Commission in its 1933-35 biennium budget, soon to be made up, will be launched.

These plans will include additional appropriations in favor of Redwood Empire highways already in the state highway system as well as definite action to induce the highway commission to recommend to the state legislature the inclusion of a 22-mile sector from Navarro to Fort Bragg in the state secondary highway system.

The events and celebrations committee will meet at noon, when a special publicity campaign in favor of various community fairs, pageants, rodeos and other celebrations throughout the nine counties will be agreed upon, together with plans for various highway celebrations during the current year.

At the chambers of commerce unit meeting further plans for the erection of arch markers, desigating various points of interest throughout the Redwood Empire, will be discussed, together with additional plans for lengthening stop-overs of tourists and vacationists and for the interchange of travel between Redwood Empire points. The chambers of commerce unit also will hold its election of officers.

CHRISTIAN SCIENCE CHURCHES

"Matter" will be the subject of the Lesson-Sermon Sunday, March 20, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The citations which comprise the Lesson-Sermon will include the following from the Bible: "Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free. They answered him, We be Abraham's seed, and were never in bondage to any man: how sayest thou, Ye shall be made free? Jesus answered them, Verily, verily, I say unto you, Whosoever committeth sin is the servant of sin. And the servant abideth not in the house for ever: but the Son abideth ever. If the Son therefore shall make you free, ye shall be free indeed" (John 8:31-36).

The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Explaining the origin of material man and mortal mind, Jesus said: 'Why do ye not understand my speech? Even because ye cannot hear my word. Ye are of your father, the devil (evil), and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it' " (p. 292).
